Time:

*YES! Its that time of the year,
When I turn a year older.*

*I would love it if you would join the fun
'Coz the more the merrier.*

We would just hang out, watch a movie And eat cake.

Please note of only one request that I make.

I like only hugs and kisses as gifts

They must not be wrapped in shiny plastic things

When I am done with the kisses, I can recycle them at your b'day

But not so with the shiny plastic thingies, they can only be thrown away!
