No/BMTTC/CO/PRO/ 99 /2020-21

Date: 18/05/2020

PRESS NOTE

Sub: Providing of transport facility for passengers.

In view of providing safe and convenient transport facility and to control the spread of Corona virus and to create a sense of trust for the passengers using Public Transport by ensuring required cleanliness and hygiene in the bus for the commuters, BMTTC has planned to operate buses as per the guidelines of the Central and State Government.

Service Availability:-

- Initially, operations will be resumed on high density routes in Bangalore city except containment areas.

Operation timings:-

- In view of night curfew enforcement, bus services will be provided between 07:00 hours to 19:00 hours.

Ticket System:-

- To maintain social distancing passengers having Monthly pass/Weekly pass /Daily passes will be allowed to travel in the buses.
- For the benefit of commuters Rs. 300/- Weekly pass has been introduced.
 - Valid for all Non-Air conditioned buses (Ordinary buses).
 - Weekly pass will be valid for 7 days including day of issue.
 - Photo Identity card is mandatory to obtain Weekly pass. Same should be produced while on traveling.
 - Weekly passes will be issued at specified Bus stations between 07:00hrs to 19:00 hours. List of Bus stations are appended.
- Daily passes (Rs.70/-) will be issued by conductors.
- Other types of passes and tickets are not allowed.
- To promote cash less transaction, Digital Ticketing (QR code scanning) will be introduced in 75 buses of 15 Depots on trial basis.

Responsibility of Crew:-

- Body temperature of crew will be checked daily before the commencement of duty.
- Crew should wear Facemask while on duty.
- Crew should use sanitizer and maintain hygiene.

Bengaluru Metropolitan Transport Corporation

BMTCC Central Office : : Public Relations Office : : Bengaluru – 560 027

- Crew shall monitor social distancing between passengers.
- Passengers are allowed to board the bus only if seats are available.
- Buses should be stopped at designated bus stops for boarding and de-boarding.
- In case more passengers are noticed in Bus Stations/stops, crew should inform the same to the nearest Depot Managers/ DTOs.

Vehicle Maintenance:-

- Mechanically fit, well cleaned and disinfected buses will be deployed for operations.

Precautionary measures for Passengers:-

- Mandatory use of masks or cloth (as per Government notification) for covering mouth and nose. Entry prohibited for the passengers without mask.
- Mandatory use of dedicated doors for boarding and off-boarding. Rear door should be mandatorily used for entering by the passengers and front door should be used for alighting by the passengers.
- Passengers shall maintain social distance while boarding/ alighting the buses and follow queue system.
- If all seats are accommodated in the buses, passengers shall not board the bus and wait for another bus.
- Passengers suffering from fever and other ailments are not allowed to travel in bus.
- Senior citizens, Pregnant Women and Children below age of 10 Years are not allowed to travel in bus.
- Passenger co-operation is requested in maintaining cleanliness in buses and Bus Stations.

Appeal

BMTCC is committed to provide better and disinfected bus travel facility to passengers. Passengers are requested to co-operate with BMTCC.
